

## MATERIALS FOR ADDING METAL AND METALLICS TO YOUR MIXED MEDIA WORK

### Series III, Class #3

-Suggested Basic Mixed Media Kit (see below) plus the following materials specific to this class:

-Surfaces to work on -Wood painting panels, cardboard, Watercolor Paper, Canvas, old paintings, etc.

-Metallic paints, thin metal foil etc. (We will provide but if you have some that you'd like to try, bring them.)

Suggested Basic Mixed Media Kit:

-Pencils

-Black fine line permanent ink pen (i.e., Micron)

-Erasers (kneaded, Mars- Steadtler)

-Scissors

-Exacto Knife/Mat or cardboard to cut on

-Ruler

-Acrylic Paint: Yellow, Red, Blue, White, Black + your favorites (fluid in bottles, not tubes, Liquitex or Basics)

-Water Bucket/Spray bottle with water

-Brushes/flat wash, round 6-8, fine liner (cheap, we may dip in alcohol)

-Paper towels, clean up rags

-Yes glue or glue stick for paper

-Matte medium (Liquitex or Golden)

-Alcohol (90%)/spray bottle alcohol

-Facial or Diaper wipes to clean off hands

-Paper/fabric scraps: I prefer to work with mostly white and neutrals, and paint if I want color but bring what you like. Bring your own or a packet will be available for purchase from Lynn for \$10

-Notebook/Sketchbook

-Heat gun or hairdryer (a couple are available at Destination: Art)
