

## Oil painting supply list for Paula Vukmanic workshop/classes

**Destination: Art** has table top easels or standing easels for you to use but you can bring your own portable easels. DA also has a supply of Viva paper towels and Plastic Garbage bags for disposing of paper towels as you work.

You need:

- Apron or smock
- Paper Towels
- Canvas Boards or canvas in whatever size works for you – 8x10, 9x12 , 10x14, or 12x16
- Palette (either within easel, or a “palette pal”, or one with a thumb hole for holding....glass or acetate or masonite or....)
- Turpenoid (Regular turpentine smells too much...) or “Mona Lisa” Brush Cleaner/conditioner
- Rinse can with tight lid or jar for turpenoid ( use next to palette for brush cleaning as needed.)
- Linseed oil or safflower oil or walnut oil
- Latex gloves or barrier hand cream (Winsor Newton sells Artguard, Home Depot sells a silicone glove cream)...this is to protect your hands and make it easier for cleaning...
- Bristle brushes #'s at least 1 of #10, 1 of #8, 2 of #6, 2 of #4, 1 of #2....(For larger paintings #12 on up....) I like filberts and use brights also. Why so many? It is faster to use several brushes of dark and light values then to use one brush and keep it clean.
- Oil paints:
  1. Titanium White
  2. Cadmium Yellow Light or Pale
  3. Cadmium Orange
  4. Cadmium Red Light
  5. Aliziron Crimson
  6. Ultramarine Blue
  7. Pthalo Blue
  8. Pthalo Green
  9. Sap Green
  10. (Yellow ochre optional and anything else you already have or like to use...)

**PLEASE NOTE: THERE ARE SETS OF OIL PAINTS AS WELL AS BRUSH SETS THAT ARE GREAT FOR STARTING OUT. I LIKE UTRECHT OR M. GRAHAM OIL PAINTS.**
