REQUIREMENTS:

RULES:

- The registration fee of \$35 includes up to two pieces.
- Artwork should not have been entered in a previous TAG Show and completed in the last two years.
- Artwork must be original and 100% personally executed, not from a “directed” class or workshop.
- Artwork that is sold during the show must be sold to the buyer as a finished piece and framed or gallery wrapped. The cost should be reflected in the price.
- Upload a quality JPEG photo for each artwork submitted. Your photo should be the painting without the mat or frame. Ensure that there is no glare on your photo.

REGISTRATION PROCEDURES:

- Register online through the Destination: Art website and show portal.
- When requested to create a password, write this unique password down for later use. It will ONLY apply for this show. It will be needed to modify your registration, change your artwork photo, finish payment or for any assistance with your show account.
- Each painting submitted will request a price during registration. If it is not for sale (NFS), you will still be required to enter a price. Enter 0.00 if it is not for sale.
- For trouble paying on line (a computer is better than using a smart phone), we may need your password at that time to process your payment. If you have trouble paying online send an email to [localartists@destination-art.net](mailto:localartists@destination-art.net).

SALES:

- All artwork will be for sale unless the artist designates the painting is not for sale. The artwork presented in the show is available for purchase by sending an email inquiring about the piece to the TAG email address. We will put the buyer in touch with the artist to make arrangements directly with them.
- Each artist is responsible to make a donation of 15% to TAG once the transaction has been completed.
- Artists are responsible for their own sales tax.
